ACM WIDM 2004 is the sixth in a series of workshops on Web Information and Data Management to be held in conjunction with the Thirteenth International Conference on Information and Knowledge Management - CIKM 2004 (http://ir.iit.edu/cikm2004). The objective of the workshop is to bring together researchers, practitioners, and developers to study how the web information can be extracted, stored, analyzed, and processed to provide useful knowledge to the end users for various advanced database and Web applications.

**TOPICS OF INTEREST**

**Web Mining:**
- Web Usage Mining, Web Classification,
- Web Clustering, Resource Discovery, Web
- Personalization, Web Data Extraction,
- Web Structure Mining.

**Web Databases:**
- Web Data Models and Meta-data,
- Web Query Languages, Web Data Storage Systems,
- Web Indexing, Web Data Integration.

**Semantic Web:**
- Web Annotation, Ontologies, Semantic Web Services.

**Web Commerce:**
- Web Services, Intelligent Agents on the Web,
- Web Site Modeling & Design, Advanced XML Tools,
- Mobile Commerce.

**Advanced Web Applications:**
- Digital Libraries, Web Portals, Intelligent Web Search
- Engines, Web Visualization Tools, Web Information
- Filtering.

**Performance of Web Applications:**
- Web Caching, Web Monitoring.

**PAPER SUBMISSION**

Electronic submission will be used. The PDF version of the paper should be submitted to the WIDM 2004 electronic review system no later than June 28, 2004. The paper should be formatted in the camera ready format and should not be more than 8 pages long. The abstract of the papers should be submitted electronically by June 21, 2004 to the review system. For more detailed information about paper submission, please refer to the workshop website. All accepted papers will appear in the Proceedings published by the ACM Press. The best workshop papers will be invited to a special issue of a major journal.

**IMPORTANT DATES**

Submission of abstract: June 21, 2004
Submission full paper: June 28, 2004
Notification of acceptance: August 20, 2004
Camera-ready copy due date: September 10, 2004
